

Fukuoka City One-day Pass (for Nishitetsu buses only)

All-you-can-ride ticket for a day for Fukuoka city local buses. Just scratch the date that you use, put the numbered ticket in the fare collection box, and then show the pass to the driver when getting off. Please utilize it for sightseeing, shopping, and business.

Terms of Use

- This pass is available on the day you choose, for Nishitetsu bus operating within Fukuoka city.
- When you get on the bus, make sure to pick up a numbered ticket.
- When you get off, make sure to show the ticket side of the pass to the driver clearly.
- One primary schoolchild accompanying one adult is free.
- In case of getting on the bus operating outside of the pass applicable area, please pay the fare for the section between the pass applicable area and your destination stop.
- Only unused pass can be refunded at the ticket office for a service charge. (This return policy does not apply in case the valid period has expired or 2 spots or more on the pass have been scratched off.)
- In case you scratched off a wrong date, the only unused pass can be exchanged for a new one at the ticket counter.
